

Nelson Alexander

The Fairfield Bowling Club, with the assistance of Nelson Alexander Real Estate, would like to invite any new or long-term residents within the 3078 postcode to join our club for free as a 3078 Member.

A 3078 membership entitles the holder to purchase drinks at the bar at club member prices. 3078 Members who have registered their details at the club are entitled to participate in up to two free barefoot bowls sessions over the season (conditions apply).

3078 Members are welcome to upgrade their membership at any time to social or full categories for greater benefits.

Barefoot bowling will be subject to a booking made in advance and will be possible only where the green is open and not in use for other organised events.

We pride ourselves at the Fairfield Bowling Club as being a "Local Club" and as a club with a great heritage.
